Before completing this form, it is essential that you read carefully the school's Admissions Policy and procedures. You are strongly advised to seek the advice of your daughter's Primary Head Teacher, although it is not necessary for her/him to sign the form.

Posting Applications

If you intend to post your application, please ensure sufficient postage on the envelope to take account of the **weight** of an item **AND** its **size**. It is therefore **essential** that you check this with the Post Office. Failure to do so will mean that the Post Office may withhold your application for up to two months and that it is received after the closing date. The school will **not** be responsible for retrieving your application in such circumstances.

If you send original documents by post please ensure that you indicate clearly the name of the candidate concerned. Parents are responsible for making adequate arrangements to enable us to return original documents. The school will **not** be responsible for the loss of original documentation, returned by post.

DEADLINES

The Supplementary Information Form must be received by the school (ideally electronically but otherwise as a hard copy) no later than the national deadline date of **Thursday, 31 October 2019**. As far as possible, a photocopy of the candidate's Baptismal Certificate should accompany the form. However, where this has to be obtained from abroad, the latest date for receipt is **Wednesday, 13 November 2019**.

Parents must also complete the separate Common Application (eAdmissions) Form by the National deadline date.
