Baptismal Certificates

All Baptisms and Receptions into the Catholic Church are recorded in the Baptismal Register of the Church where the Baptism took place. It is usually always possible to obtain a copy of your Baptismal Certificate even if the Baptism took place overseas. Guidance on how to go about this is provided with the Prospectus. Nevertheless, the Governors are aware that in some cases, it may not be able to obtain such certificates by the closing date for receipt of applications and have therefore provided a second final date by which these should be received. In the very unusual circumstance that it is NOT possible to obtain a Baptismal Certificate or one of the alternatives set out in the Guidance, applicants should follow the advice provided in this circumstance and as far as possible provide evidence of why it has not been possible to obtain the necessary certificate. For admissions 2019, the date for submitting a Baptismal Certificate is Wednesday, 14th November 2018.

This form is to be signed by the Parent/Guardian named on this form.
