## Annual Report 2021-2022 on Progress Against the School's Equality Objectives

## December 2022

| Objective  | Success Criteria  | Lead          | Update 2021-2022 Evidence   |
|--|---|---------------|---|
| 1. Increase staff understanding of   | All staff understand their role with respect to the 'Equality Act'  | HT and<br>SLT | This is clarified through management meetings and ongoing SEN training and development.   |
| 'equality' and   | and the implications for their  |               | SENCo training is repeated at the start of each year. Staff make adaptations  |
| implications for all on a daily basis, through CPD                         | practice  |               | and provide support to pupils in line with this training.<br>Pupils provide feedback to staff to support their understanding of the<br>impact of inclusive practices. (Pupil Voice)<br>Sexual Harassment Safeguarding Training September/October 2021<br>Safeguarding Training September 2022 (SEN students and safeguarding<br>risks)<br>Staff training and development: HT and AHT Sixth Form attended training |
|  |   |               | Accompanying the LGBQT community Diocese of Westminster (June<br>2022/October 2022)<br>Restorative Justice Training – all staff – September 2022 and ongoing  |
| 2. Make all reasonable   | A clear policy is in place to ensure  | HT            | The school complies with disability regulations.  |
| adjustments so that all pupils, staff,                                     | fair access to opportunities for<br>enrichment, leadership and  |               | All pupils are able to sign up for enrichment activities. Engagement is monitored to ensure equality of access.   |
| parents/carers and<br>visitors have access to<br>school and all activities | personal growth and<br>development.<br>The school takes account of all                                    |               | All pupils have access to leadership opportunities and the Goals Graduate<br>Programme to support the development and formation of every individual.<br>Every form group has an equalities representative   |
|  | disability issues and does all in its<br>power to cater for the needs of<br>its pupils, staff and carers. |               | Diversity and Inclusion committees provide a forum for pupil voice<br>The SENCo, KAIROS team, Counsellor and TACT team all work to ensure that<br>the needs of all pupils, staff and carers are met.  |
|  |   |               | Students with limited ICT resources and poor WiFi identified and supported  |
|  |   |               | through allocation of lap-tops<br>Monitoring of students access to curriculum enrichment  |
|  |   |               | All voluntary trips 20% allocation of PP places.  |

| the number of all in | The number of incidents. All such<br>incidents are dealt with swiftly<br>and thoroughly. | HT and<br>SLT | The number of prejudice-based incidents last year was 10.<br>As part of whole school development, the school has prioritised a review of<br>inclusive practices. This includes all aspects of school life; systems,<br>processes and policies as well as curriculum content, responses to<br>behaviour, and stakeholder perception and experience.<br>Review of behaviour, exclusions policy, August 2022<br>Assemblies/workshops to support diversity and inclusion<br>Every form group has an equalities representative (September 2022)<br>Diversity and Inclusion committees provide a forum for pupil voice<br>The school has invested in Safeguarding software 'safeguard' to help<br>identify and ensure early intervention on any issues to do with bullying, etc.<br>All bullying and racist incidents recorded on Safeguard |

## AIM 2: Advance equality of opportunity for all.

| Objective                  | Success Criteria                      | Lead   | Update 2021-2022 Evidence  |
|----------------------------|---------------------------------------|--------|--|
| 4. Ensure fair access to   | A varied curriculum offer at all Key  | HT and | All students are in groups which are not based on prior attainment.        |
| the curriculum offer for   | Stages enabling access for all pupils | SENCO  | All pupils at KS3 have access to a knowledge rich, broad and varied        |
| those with different       | to ensure successful outcomes.        |        | curriculum offer to ensure a secure foundation in key concepts and skills. |
| abilities; including       |                                       |        | Review of KS3 curriculum; intent, implementation and impact January        |
| access to appropriate      | Use a range of teaching pedagogies    |        | 2022 ongoing/work with Local Authority autumn 2022 to support the          |
| pathways, EBacc/           | to stretch and challenge pupils of    |        | further development of depth/continuity and access.                        |
| facilitating subjects; and | all abilities.                        |        | 90% of all pupils follow an Ebacc pathway at KS4                           |
| through promoting          |                                       |        | 5% of pupils follow a supported reduced curriculum pathway.                |
| inclusive approaches to    | Pupils have access to appropriate     |        | KS5 curriculum offers a range of facilitating subjects as well as BTECs in |
| teaching and learning      | equipment as needed eg Wobbly         |        | Business and Science.  |
| and the use of specialist  |                                       |        |  |

| equipment where            | cushions, dyslexic aids, enhanced     |        | Development of draft rationale for student inclusion unit on site             |
|----------------------------|---------------------------------------|--------|---|
| necessary                  | hearing systems, etc.                 |        | (November 2022)   |
|                            |                                       |        | Trial implementation of Inclusion targeted provision (October 2022) to        |
|                            |                                       |        | support students at risk of disengagement with curriculum. Review of          |
|                            |                                       |        | the sixth form curriculum offer/ to incorporate T levels (September 2022      |
|                            |                                       |        | onwards)  |
|                            |                                       |        | As a world class accredited High Performance Learning school, the             |
|                            |                                       |        | principles of high performance for all are aligned and implemented in all     |
|                            |                                       |        | aspects of school life and shape policy into practice.                        |
|                            |                                       |        | The school has a range of facilities in place for those with disabilities     |
|                            |                                       |        | including writing slopes, hearing loops etc., and continues to develop this   |
|                            |                                       |        | provision in line with the needs of individual pupils. We have multi-         |
|                            |                                       |        | sensory approaches to teaching and staff are guided to use particular         |
|                            |                                       |        | colours and fonts in written presentations.                                   |
|                            |                                       |        | Learning mentors have been assigned to EHCP students; they meet               |
|                            |                                       |        | weekly and advocate on behalf of these students to teachers.                  |
|                            |                                       |        | Implementation of intervention strategies for individuals and small           |
|                            |                                       |        | groups post assessment cycles (3 times per year)                              |
| 5. Strive to ensure the    | Diminishing gaps between the          | HT and | Review of Attendance Policy November 2022                                     |
| attendance of all          | attendance of disadvantaged           | SLT    | Creation of Attendance Strategy November 2022                                 |
| disadvantaged pupils       | children and other pupils.            |        | Work with all stakeholders, local authority (LBHF) November 2022              |
| reflects the school target |                                       |        | ongoing.  |
| of 96%                     | A clear policy is in place to ensure  |        | The school has an appointed Attendance Officer and attendance is              |
|                            | fair access to opportunities for      |        | monitored closely with weekly breakdowns. Disadvantaged and                   |
|                            | enrichment, leadership and            |        | vulnerable and at risk pupils are identified, tracked and prioritized as part |
|                            | personal growth and development.      |        | of weekly TACT meetings. Pastoral support managers provide additional         |
|                            |                                       |        | support to pupils and home contacts. For example through attendance           |
|                            | The school takes account of all       |        | contracts, regular calls home. They liaise with outside agencies              |
|                            | disability issues and does all in its |        | including CAMHS, Early Help and the ACE team                                  |
|                            | power to cater for the needs of its   |        | Expectations are clarified through information evenings for parents,          |
|                            | pupils, staff and carers              |        | regular reminders via the school bulletins, email and parent texts.           |

| Key Stage Assistant Headteachers, Year Team leads and Pastoral Support |
|--|
| Managers meet weekly for pastoral updates and regularly evaluate       |
| interventions regarding attendance                                     |
| At risk pupils identified and monitored through Safeguard/enhanced     |
| measures in place in response to any absence.                          |

## AIM 3: Foster Good Relations between people.

| Objective                      | Success criteria       | Lead   | Update 2021-2022   |
|--------------------------------|------------------------|--------|--|
| 6. Ensure opportunities        | Assemblies,            | HT and | The school's Catholic ethos, mission statement, assemblies, prayer and liturgical                        |
| exist in our school            | curriculum topics,     | SLT    | life and focus on a Christ centered community, provides a context for the ongoing                        |
| curriculum to learn about      | enrichment activities, |        | development of key British values; respect, the uniqueness of the individual,                            |
| and celebrate British          | partnerships, visits   |        | understanding of difference, the importance of positive relationships and                                |
| values including respect       | and visitors reflect   |        | community building.  |
| for all (irrespective of their | the cultural and       |        | PSHE sessions across all key stages including a focus on; diversity, the workings of                     |
| culture, ethnicity, gender,    | ethnic backgrounds of  |        | democracy, law and order and cultural events.  |
| disability, sexual             | our community.         |        | PSHE curriculum has been reviewed and updated to include more focus on                                   |
| orientation or gender          |                        |        | diversity and inclusion.(ongoing)  |
| reassignment).                 |                        |        | Curriculum Review (January 2022 and on-going) to further develop diversity and                           |
|                                |                        |        | inclusion. Review of content and representation – presentation to governors'                             |
|                                |                        |        | Curriculum committee November 2022   |
|                                |                        |        | Pastoral support for the development of positive self-esteem on a one to one and                         |
|                                |                        |        | small group basis. (Ongoing)   |
|                                |                        |        | Partnership work with external organisations such as MIND and Inner Drive                                |
|                                |                        |        | These values run through behavior policy 'Behaviour for Learning and living in a sacred Heart Community' |
|                                |                        |        | Celebration events; BHM, (November 2022) assemblies, (June 2022) Dance                                   |
|                                |                        |        | Workshops (October 2022)   |
|                                |                        |        | Refresh of school environment and display to improve inclusion and diversity                             |
|                                |                        |        | (September 2022)   |
| 7. Continue to provide         | Extended range of      | HT     | The school holds regular Parent Teacher meetings and information evenings.                               |
| opportunities for all          | events arranged for    |        | Parents/Carers are invited to participate in the Catholic life of the school; masses,                    |
| parents/carers to              | parents/carers and     |        | liturgies and celebration of achievement assemblies.   |
| participate in the life of     | increase in numbers    |        | Workshops for parents/carers to support different aspects of school life;                                |
| the school.                    | attending.             |        | curriculum provision and interventions, safeguarding, implementation of new                              |
|                                |                        |        | software communication tools.  |
|                                |                        |        | Partnerships with external organisations which offer support for parents eg MIND                         |
|                                |                        |        | Participation in the school's career programme.  |
