With prayers and best wishes,

On Friday 18 Sept. we had our first confirmed case of Covid-19 in a pupil in Year 10. The pupil's only symptom was an upset stomach. The DfE, the local health protection team and the local authority were immediately contacted and the entire of Year 10 and eight teachers were sent home to self isolate for 14 days.

All parents of pupils in Year 10 were sent an official DfE advice letter about what to do, which confirmed that they only need to get a test of their daughter shows symptoms.

We both went into each Year 10 classroom to speak to the girls before they were sent home and text messages were sent to the parents and carers to let them know what was happening.

Our response was timely and based on the scale of potential cross infection within the year group. This ensured the protection of others in school and all other pupils continued to attend school as normal. As a school we were ready for lockdown of a year group and staff have worked extremely hard to ensure that the overwhelming majority of lessons for Year 10 are being taught 'live' via our online learning platform, google classroom to minimise any learning loss.

This incident reinforces the need for us to adhere to the systems and procedures put in place in school to address the risk of Covid 19. We rely on you as parents to be vigilant in your response and inform us should your daughter display Covid like symptoms as well as ensuring your daughter is tested.

We thank you all for your continued support at this ever changing and difficult time.

With prayers and best wishes,

Mrs M Doyle & Mrs S O'Donovan

Behaviour

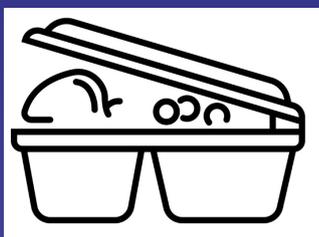

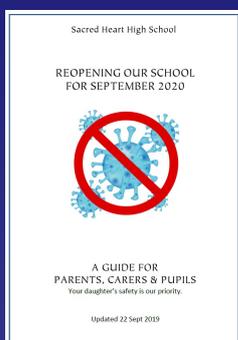

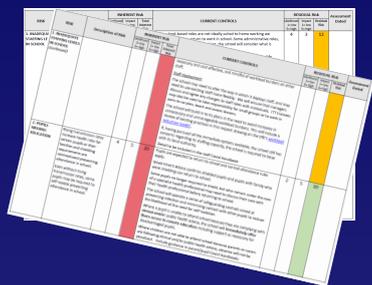

While the behaviour of the majority of pupils has been excellent, we have had a few pupils breaking bubble boundaries to see their friends. We are reiterating to pupils that breaking bubble boundaries will be considered a very serious issue. The senior leadership team will become involved and it may lead to exclusion. Equally serious is someone coughing or spitting on someone else. A letter to all parents will be issued this week highlighting key changes to the school's Living & Learning behaviour policy.

We have also had reports from members of the public of Sacred Heart pupils in the tube not wearing masks, misbehaving and coughing. This behaviour is totally unacceptable. Not only does it bring the school into disrepute but it also causes anxiety for others on the tube and increases the risk of bringing an infection into school. Please can you reiterate to your daughters the need to wear a mask over both the mouth and nose on public transport and to show consideration to others.

As was reinforced by government advisors on Monday, if individuals choose to ignore safety protocols because they do not feel at risk, this will have a detrimental impact on everyone else. I

In school as well, we require all pupils (other than those who are exempt) to wear a face covering in public areas.

We know its hard, but please reinforce with your daughter at home the need to try to maintain their distance from others in school at all times.

Covid Risk Assessment Review Group

All comments received from parents/carers and staff were reviewed by the group.

Some parents needed clarification regarding teaching group arrangements and were responded to promptly. Other parents raised concerns that they wanted their daughters to wear face coverings and to be allowed their mobile phones. Both face coverings and phones have been allowed and these matters were addressed in parent information evenings.

It took a couple of days of trial and error to improve the pupil arrival arrangements but these were streamlined and working smoothly by day 3 and an additional toilet block was set aside for sixth form.

From Monday, sixth formers will be allowed to leave school during their lunch time in line with normal practice.

Some practical staff working arrangements were also reviewed

Updates on School Website Covid Tab

In light of the above minor revisions to the risk assessment and parent/carer Covid Handbooks have been made and the latest versions are available to view in the Covid tab on the school website.

The Covid Guide contains the details but we have also uploaded some single sheet 'quick access' documents in the Covid tab. One sets out the 'Timings of the School Day' which includes the arrival and departure times.

Another guides parents about when their daughters should stay home from school, with attendance procedures and the final sheet provides quick access to 'When and how to book a Covid Test'.

Hot Food

Both hot and cold food will be available to takeaway from the kitchen from Monday 28 September. Food would not be 'served' but would be provided in sealed takeaway containers. Pupils would not eat together in the dining room but simply collect food and return to their bubble location using a secure route.

Good News

Lamda exams start next week - good luck to all our pupils involved and well done for their hard work and preparation. The Year 7 retreat programme starts next week.

Fantastic STEaM Opportunity: Are your daughters aged 14-18? Are they interested in engineering, coding or design? If the answer is yes please ask them to see Mrs Roy for details on how to apply to the new and improved Maker Challenge!

Over 11 weeks, your daughter could have the opportunity to learn how to develop their creative idea from concept to prototype through expert-led virtual sessions and using advanced equipment in our Makerspace workshop.

Dorothy F, Sonia A-G and Justine F are 'BT Young Pioneer' finalists. They were one of five teams shortlisted from 170 applications.

Prayer & Worship at Sacred Heart

Our Prayer theme this week is, “Goal of Faith – What does it mean to have an Active & Personal Faith in God?”

Each academic year, the Sacred Heart schools of the English Network, choose one of the 5 Sacred Heart Goals to focus on. This year, as a Network, we are united in our focus on the Goal of Faith. In our prayer and worship time this week, we will explore what Faith means to us as individuals and as a community.

Take care
Be Kind
Stay safe
